

# 29-30 JUNE 2018

# LEGAL ISSUES IN HEALTHCARE

With the fast-changing healthcare sector, the norms governing this sector have also undergone transformation that have had their influence in the regulations being modified time and again to address the changing scenario. In this dynamic condition of the healthcare sector, there is need to keep oneself abreast with the latest in the legal aspects governing the healthcare to comply with these norms and protect the organization from any adversities that could arise out of ignorance as "*Ignorantia juris non excusat*".
